President's Letter 2005

Herb Waltenspiel • *Neville Chemical*

As your new CSCT president for the 2005-06 year, I am looking forward to continuing the long term tradition of the CSCT in providing a technical forum through technical presentations and social activities for our members and attendees. I would like to thank all of you who have attended and participated in the past year and would like your support in this year's calendar of events. The CSCT Board and committees will work hard in providing the best program possible in order to provide the opportunities for our members to meet with other colleagues in networking and meeting new friends.

Summary of 2004-05:

Golf & Tennis Outing-2004: The annual event was held on July 25th at St. Andrews and the Forest View Racquet Club with over 230 total members and guests participating followed by dinner with many prizes awarded. The CSCT thanks all the suppliers and distributors for their generous donations which were used for prizes as well as the participants from the manufacturing companies in the area. Thanks is also given to the Golf/Tennis Committee for their time and efforts to make the outing a success.

Dinner Meetings: Two locations provided alternating venues for the seven monthly meetings which typically are held on the first Monday of the month beginning September through the month of April: Stevens Steakhouse, Elmhurst, IL and Doubletree, Alsip, IL. The following presentations were given: **Ciba Specialty Chemicals** - Organical Pigments, **Ashland Specialty Chemicals** - UV Curable Oligomers, **DuPont Specialty Colorants & Additives** - Nanotechnology, **Clariant** - Lead Free Pigments, **RSM** - VOC Compliant Resins, **MD Both** - Carbon Black Pigments, **Holman Engineering** - Mixing and Dispersion.

Holiday Party: The joint CSCT/CPCA Holiday Party was held at the Hyatt Lodge in Oakbrook, IL, entertainment was provided by the American English musical group. The money raised went to the joint CSCT/CPCA Education Scholarship Fund.

Technical Committee: Aaron Strepka and Brian Hanrahan presented a paper at the ICE Show held in Chicago titled 'Alternative Methods to Achieve High Performance Low VOC Coatings.'

Education Committee: The CSCT/CPCA awarded two \$2,000 Merit Scholarships: Kristen Figelwicz, daughter of Greg Girard of Sherwin-Williams, and Cristina Salvador, daughter of Roman Salvador of Valspar Corp. The scholarships were given at the Awards Banquet.

Awards Banquet: The Awards Banquet was held on May 13th at the Drury Lane in Oakbrook, IL. 25 and 50 year pins were given to members for their years of service. Past Presidents were honored for their past contributions to the CSCT. Special awards were given to Greg McWright/Troy Chemical for his outstanding service to the CSCT, Cathy Hoffman for her help with the CSCT, and Vic Willis for his long term service to the CSCT.

The CSCT looks forward to seeing you at our meetings and events!

Sincerely,

Herb F. Waltenspiel

CSCT President 2005-06

SYMCO - 2005

“Tackling Regulations with Technology”

(One Day Educational Seminar and Industry Show)

Thursday, November 10th, 2005

Drury Lane Oakbrook - 100 Drury Lane - Oakbrook Terrace, IL 60108 (630) 530-8300

The *Chicago Society of Coatings Technology* proudly presents SYMCO 2005! SYMCO is a one-day educational seminar on paint and coatings with a mini exposition. SYMCO is an excellent opportunity to network with fellow professionals, colleagues, and meet new people in the industry. The event will be held on Thursday, November 10th, 2005 at the Drury Lane Oakbrook in Oakbrook Terrace, Illinois.

The speakers are professionals who have been chosen on their expertise in their subject area. This year's theme is “Tackling Regulations with Technology.” We are encouraging direct participation from suppliers who want to exhibit their newest products during the off year between I.C.E. shows and hope to help bridge the gap.

We welcome distributors, suppliers and manufacturers to sign up for booth space in our Exposition Area. The cost of a booth is \$350. This includes two registrations and two lunches. For each additional participant in the booth the price is \$50 each with lunch included. Feel free to sponsor a chemist from another company for \$50 each (lunch included). This encourages an even more technical audience.

The price to attend the show is \$50 for early registrations, \$75 at the door - so sign up early. Thanks for your support and we look forward to a great show!
