Hydrocarbon Resins & Their Applications for Coatings Formulations

Norm Szalkowski - Neville Chemical

Hydrocarbon resins are low molecular weight entities derived from petroleum feed stocks that have been used for enhancing properties of coating formulations since the early 1900's. The enhanced properties are made possible due to excellent pigment wetting ability, hydrophobicity, tackification, and inertness of these resins. The resins act as modifiers to mainly air-dry base polymers and through the proper selection of feed streams broad property ranges can be achieved. The presentation will highlight the different families within hydrocarbon resins and the application properties that can be achieved. The last part of the presentation will discuss products for current low VOC applications.

Norm Szalkowski will present the above topic and is a graduate of SUNY College in Fredonia, NY with a BS degree in 1977. His experience ranges from ink formulation development with BASF and CPS (now INX) to over 15 years experience in developing Neville resins for coating and ink applications.

It is with deep sadness that we share with you that Carl Archer suddenly passed Wednesday July 20th. Our thoughts and prayers are with his wife, Patricia, and their family at this difficult time. Our colleague and friend will be greatly missed. Cards should be sent to: Mrs. Patricia Archer, 212 Southampton Road, Louisville, KY 40223

Awards:

Closest to the Pin

Course #1 John Devaney, Hall Technologies
Course #2 Chris Petit, Specialty Chemical Sales

Longest Drive

Course #1 Wmn Lisa Hilson, TH Hilson Company
Course #2 Wmn Doreen Rotkovich, Sartomer

Longest Drive

Course #1 Men John Devaney, Hall Technologies
Course #2 Men Mingbo He, Hexion

Shortest Drive

Course #1 Julie Slawikowski, Sherwin Williams
Course #2 Greg Canard, Johnson Polymer

Longest Putt

Course #1 John Erbeck, MD Both
Course #2 Mike Gellert, Sherwin Williams

Low Gross

Men Mark Leverone, TH Hilson Company
Women Lisa Hilson, TH Hilson Company

Low Net Joe Wrobel, Chidley & Peto
 Dennis Centofante, Ace Paint

High Gross

Most Honest Julie Slawikowski, Sherwin Williams

Tennis

"A" Flight Winner Todd Hilson, T.H. Hilson
"B" Flight Winner David Bardeau, Proctor & Gamble
"C" Flight Winner Andy Tait, Acti-Chem Specialties

SYMCO - 2005

“Tackling Regulations with Technology”

(One Day Educational Seminar and Industry Show)

Thursday, November 10th, 2005 (8:00 a.m. - 5:00 p.m.)

Drury Lane Oakbrook - 100 Drury Lane - Oakbrook Terrace, IL 60108 - (630) 530-8300

The *Chicago Society of Coatings Technology* proudly presents SYMCO 2005! SYMCO is a one-day educational seminar on paint and coatings with a mini exposition. SYMCO is an excellent opportunity to network with fellow professionals, colleagues, and meet new people in the industry. The event will be held on Thursday, November 10th, 2005 at the Drury Lane Oakbrook in Oakbrook Terrace, Illinois.

The speakers are professionals who have been chosen on their expertise in their subject area. This year's theme is “Tackling Regulations with Technology.” We are encouraging direct participation from suppliers who want to exhibit their newest products during the off year between I.C.E. shows and hope to help bridge the gap.

We welcome distributors, suppliers and manufacturers to sign up for booth space in our Exposition Area. The cost of a booth is \$350. This includes two registrations and two lunches. For each additional participant in the booth the price is \$50 each with lunch included. Feel free to sponsor a chemist from another company for \$50 each (lunch included). This encourages an even more technical audience.

The price to attend the show is \$50 for early registrations (\$60 non-members), \$75 at the door (\$85 non-members at the door) - so sign up early. Thanks for your support and we look forward to a great show!

CSCT Calendar of Events 2005

July 25	2005 CSCT Golf & Tennis Outing	St. Andrews GC/ Forest View RC
August 29	Neville - Resin Modifiers to Achieve Low VOC	Stevens Steak House
September 25-27	FSCT Coating Series	Coating Wood and Wood Composites
October 3	DuPont - TiO2 Update for Coatings Industry	Doubletree Hotel, Alsip
November 7	Advances in Small Media Milling	Stevens Steak House
November 10	SYMCO CSCT Symposium	Drury Lane, Oakbrook
December 9	CPCA/CSCT Holiday Party	
January 9, 2006	MD Both - Metallics	Steven's Steakhouse
February 6	Technology of Powder Coatings	Double Tree Hotel
March 6	Rheology of Coatings	Steven's Steakhouse
April 3	Technical Dinner	TBD
May	Awards Banquet	Drury Lane - Oakbrook
July 24th	2006 CSCT Golf & Tennis Outing	St. Andrew's GC /Forest View RC
