President's Letter 2006

Russell Heinzinger / Schlenk Both Metallics

I am looking forward to working with everyone as the new President of the CSCT! I understand the importance of the position and continuing the tradition that so many before me have set in place. The CSCT Board and committees are very strong allowing us to tackle issues professionally and confidently while working on new ideas as they come along.

The past presidents play a very important role in our organization and I look forward to working with them. I can see the passion and respect the past presidents have for the organization and it's health going forward into the future.

Summary of 2005-06

Golf and Tennis Outing: The July 25th event at St. Andrews GC and Forest View Golf Club was big success! Great attendance of over 250 participants. Thank you to all suppliers and distributors for their generosity and also to all the committee members and others who helped to make this a great outing.

Dinner Meetings: Excellent attendance in 2005-06 made the dinner meetings even more enjoyable. We tried a new location (Naperville) to add to Stephens and the DoubleTree in Alsip. The following presentations were held: Neville Resins – Resin Modifiers, Hunstman – TiO₂, MD Both – Metallics, DuPont – Zonyl Fluoroadditives, TA Instruments – Rheology Testing, CoAtex – Rheology Modifiers, Kevin Biller – Future of Powder Coatings.

Holiday Party: Once again the CPCA / CSCT Holiday Party was held at the Hyatt Lodge in Oakbrook, IL. The band was the Afrodisiacs, performing songs from the 70's. The funds raised went to the joint CPCA/CSCT Education Scholarship fund.

Technical Committee: Aaron Strepka is working with his committee to present a paper at the upcoming ICE Show at New Orleans.

Education Committee: The CSCT awarded one \$2000 Merit Scholarship to Abby Schlichting. Her father is James Schlichting of Abbott Labs. The joint CPCA/CSCT \$2000 scholarship awards went to:

- Julie Waltenspiel - Father Herb of Neville Chemical
- Alexander Mau - Father Tom of Fitz Chem
- Erin Murray - Father Kevin of Applied Polymer Systems
- Joseph Mau - Father Tom of Fitz Chem

Awards Banquet: The Awards Banquet was held May 12th at the Drury Lane in Oakbrook, IL. 25 and 50 year pins were given to members for their years of service. Past Presidents were honored for their past contributions to the CSCT. Special awards were given to: John Cox – Sherwin Williams, Ned Hoffman – Chem Flow, Mary Seffrood – Pan Technology for their help with the CSCT. Thor Jondahl was rewarded with the Outstanding Service Award.

Thanks for a great 2005-2006 and we look forward to seeing everyone at the upcoming events and meetings!!

Best Regards,

Dear CSCT Members & Friends,

Summer will be in full swing soon - can you believe it? And speaking of swinging, this year's annual Golf & Tennis Outing will be here before we know it This event would not be possible without the continued support of our generous sponsors. The CSCT gratefully acknowledges this support and asks for your help once again. And we are always seeking new sponsors for this event. Last year we had nearly 300 participants and hope to match that success again this year. All donors will be listed in the program at dinner and will be invited to bring a banner to advertise their company at the outing.

What better way to get involved and get your company noticed?

If you have any questions, or would like more information on donating to the event, please contact me at (630) 484-3810. We are looking forward to another great outing – See you there!

Sincerely, Mary L. Seffrood – CSCT Vice President / Program Chair
